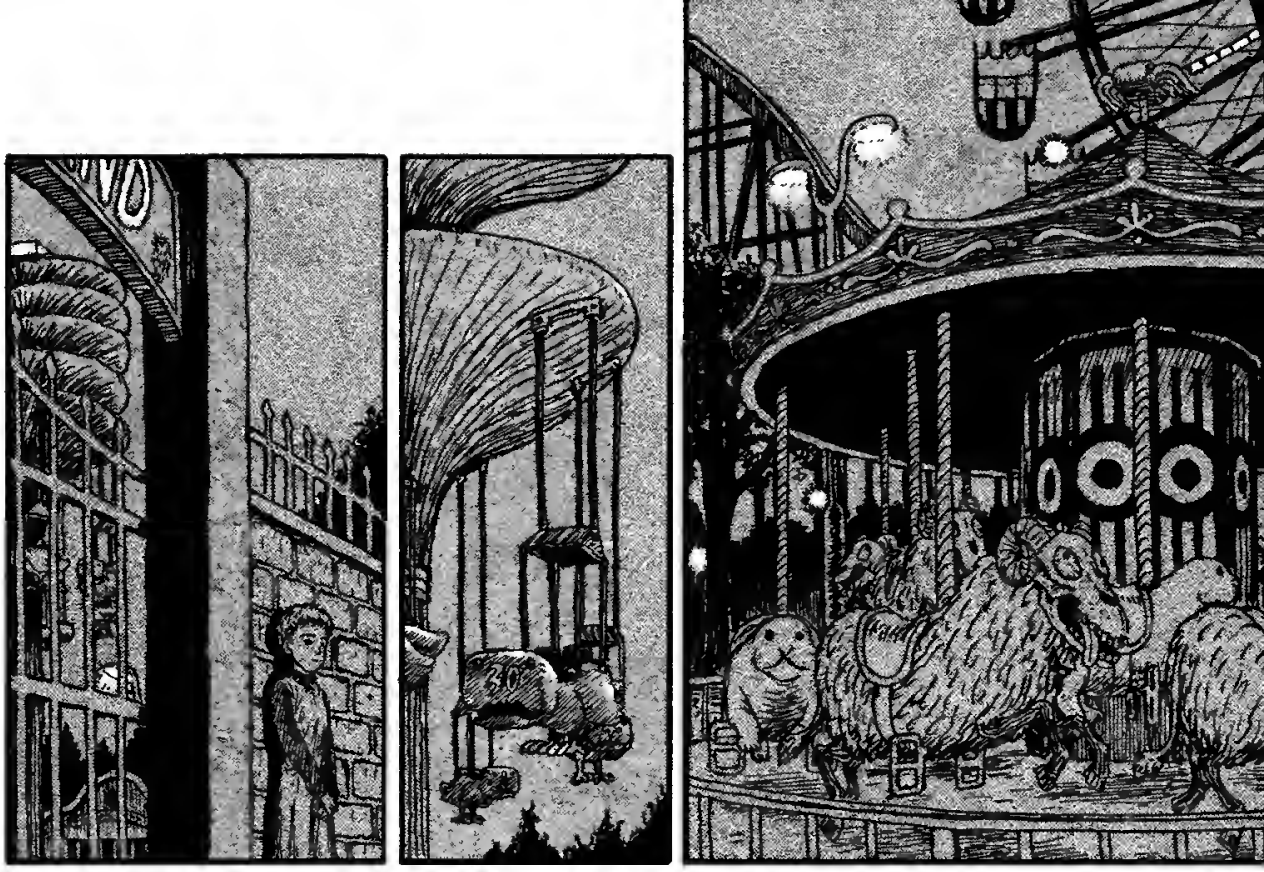
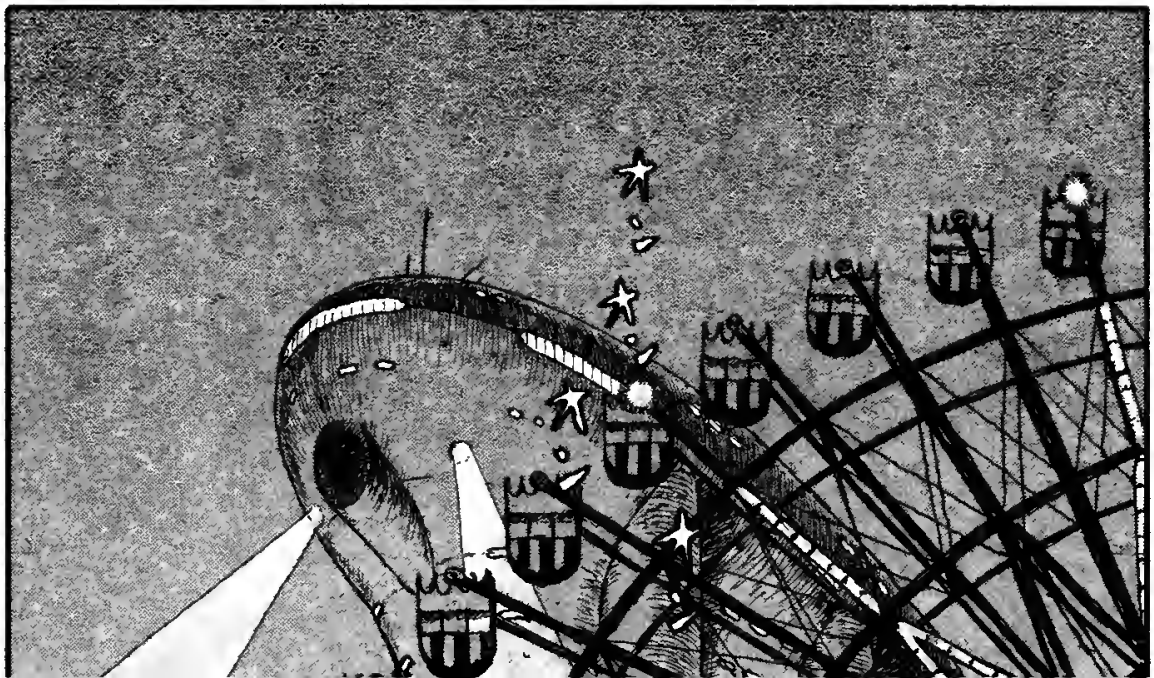
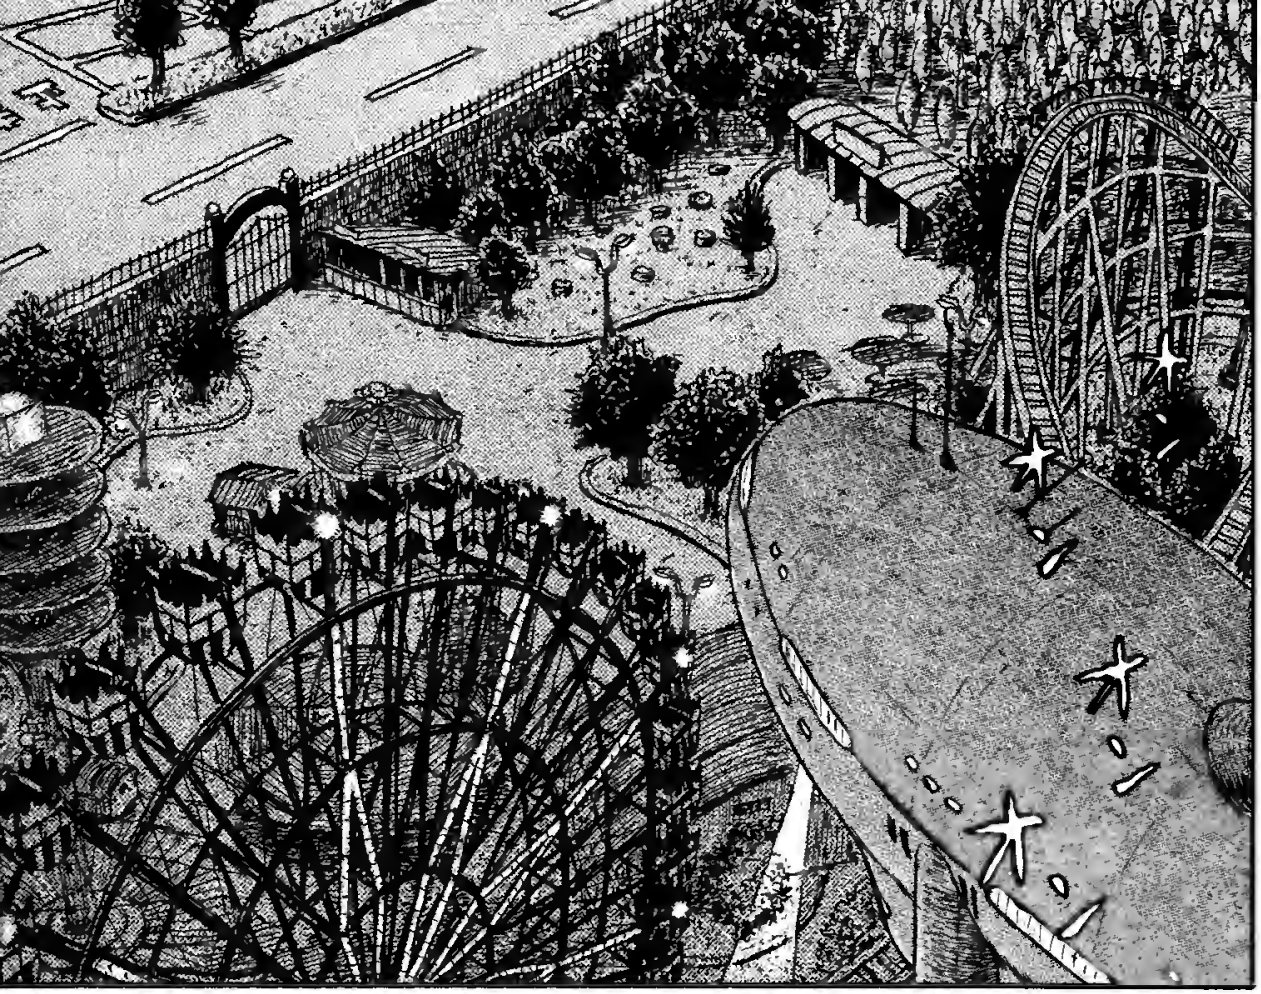
Story-9

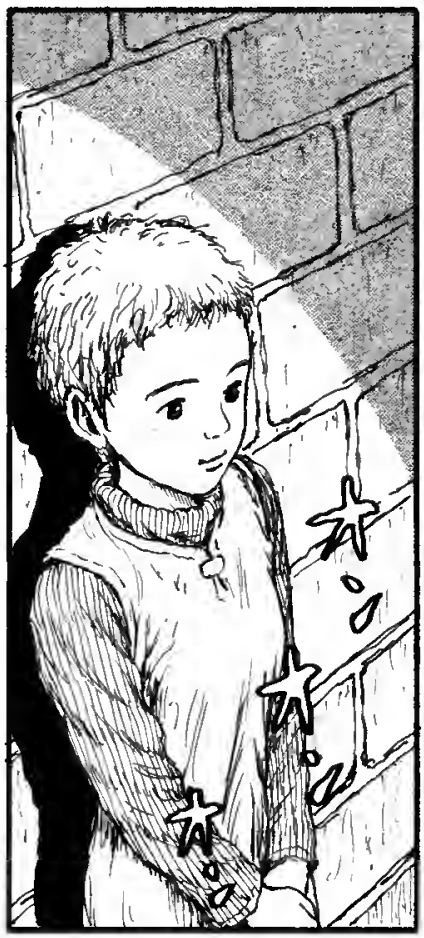
Incident of the Night

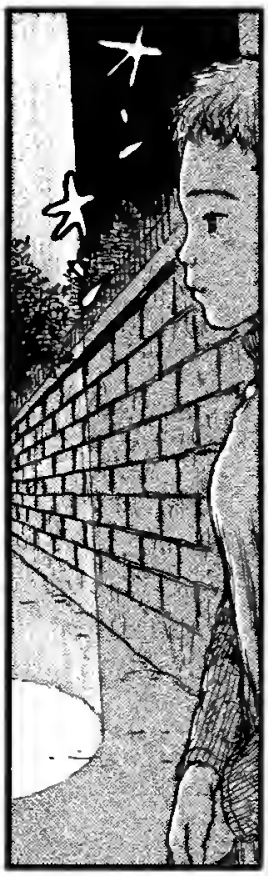
Oda Hideji

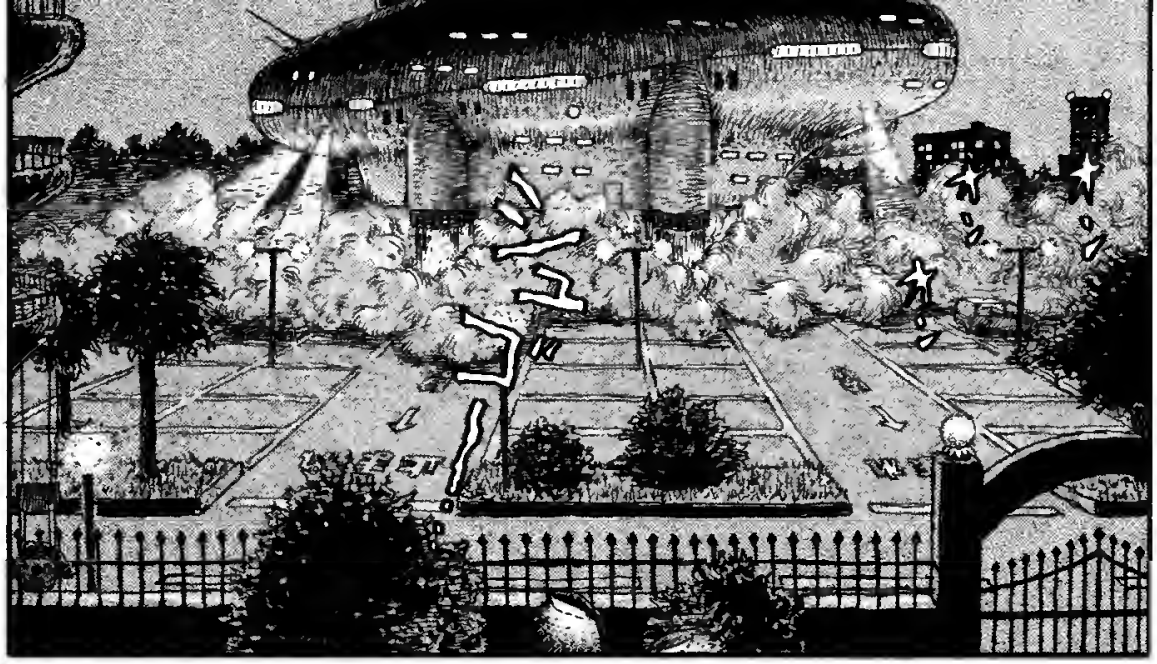




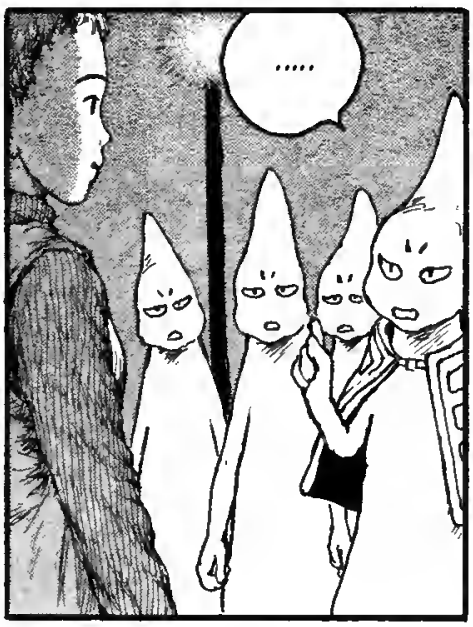




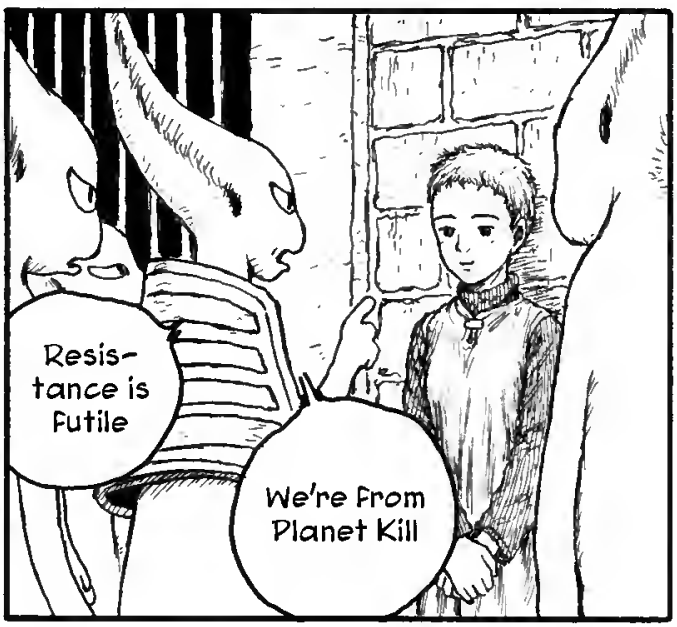




Hey!
Earthling!



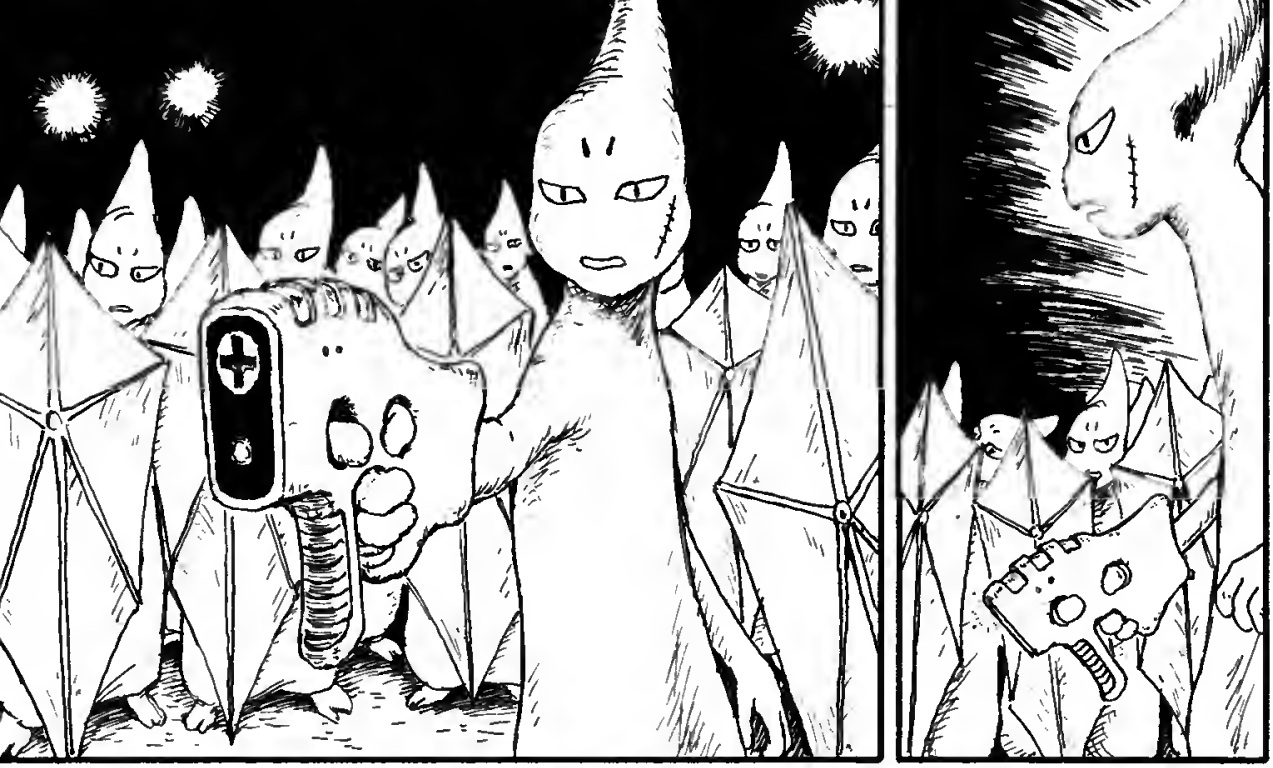
.....

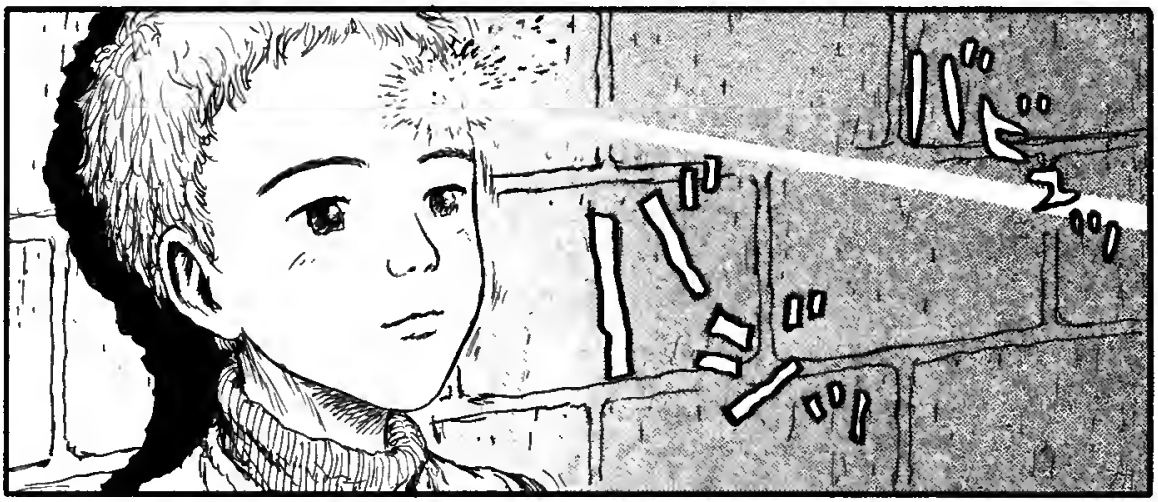


Resis-
tance is
Futile
We're From
Planet Kill

Uwah
Welcome
Don't scare us. We're here to scout the Earth in for our invasion
That was a shock
We welcome you from the bottom of our hearts
WAH!!
How can Earthlings be so calm?
He's ignoring us

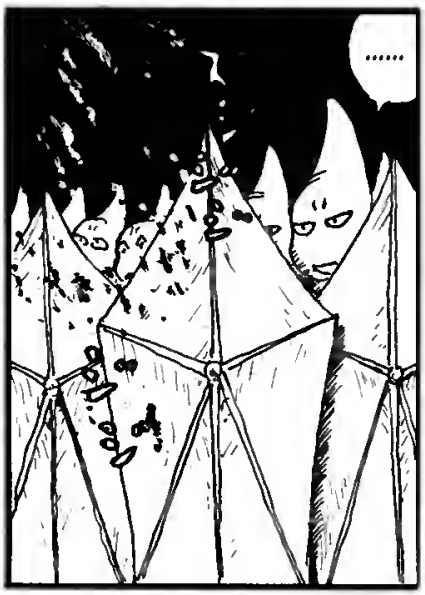
Mmm, I won't accept this!
Isn't this quite different from the advance scouting report?
We can't let them look down on us
Well...
Hmph
HWAH
R-... Ready the shields
Thank you very much





St-... Stand back!

Please enjoy your time here

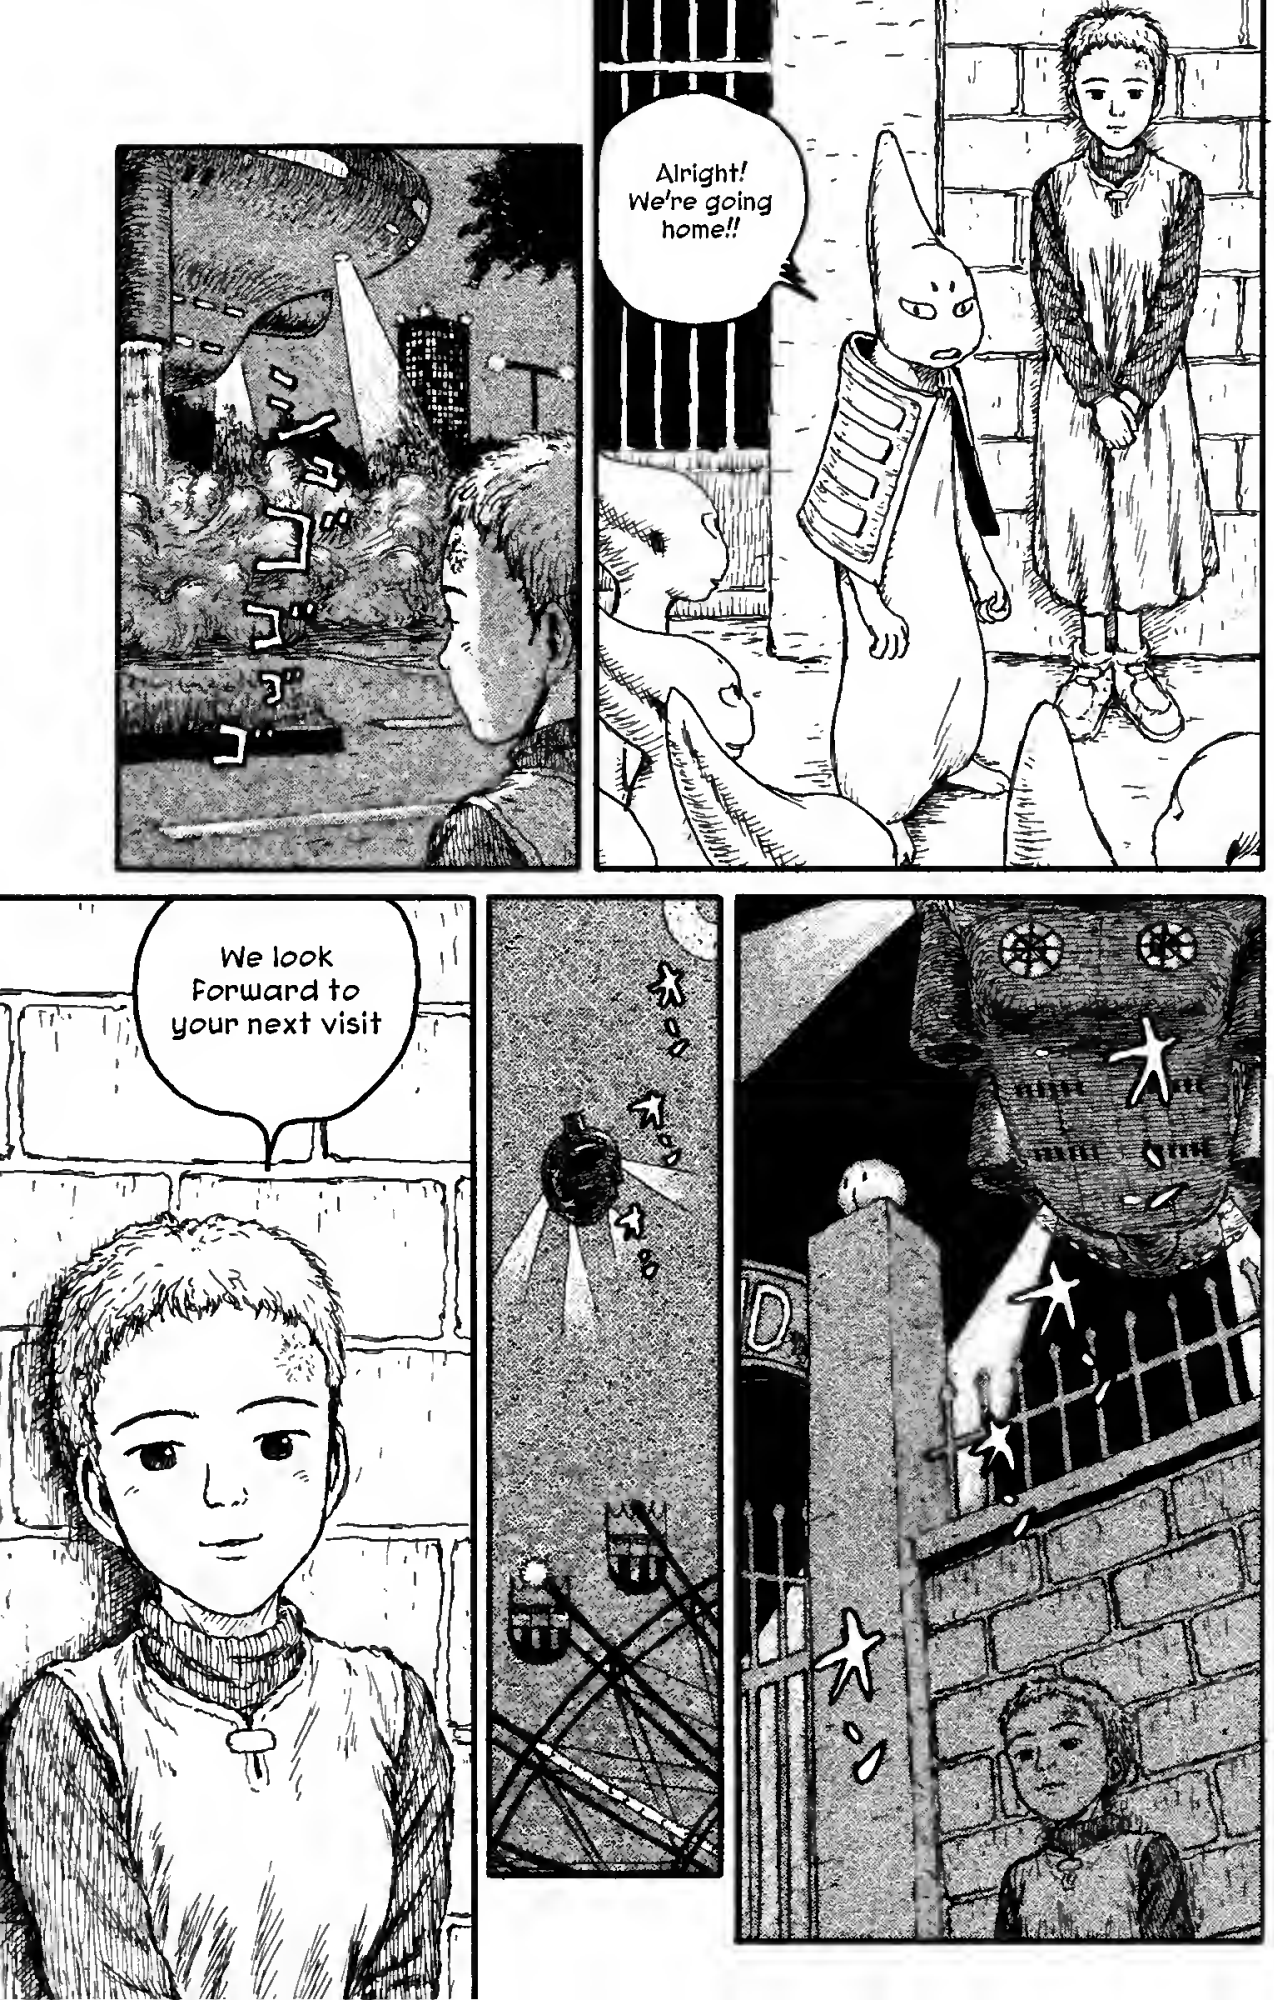


.....

Be careful
Medic!
What has the Ministry of Intelligence been doing!?
Maybe it's broken
Looks like they don't feel fear either
Maybe our weapons are outdated
Earthlings can't feel pain?
Maybe their philosophy is light-years ahead of our philosophy of an eye for an eye...
Maybe they're non-resistant?
I heard that they were cowardly and belligerent...
MAYBE THEY'VE ACHIEVED A LEVEL OF SPIRITUALITY THAT WE CANNOT EVEN BEGIN TO IMAGINE...

BUT THE EARTHLINGS HAVE ALREADY PUT IT INTO PRACTICE...
OUR KIND HAS THE DEVEL-OPED THE THEORY OF ABANDONING RULING BY FORCE...
I FEEL LIKE WE MUST COMPLETELY CHANGE OUR WAY OF THINKING...
WE WERE ON THE VERGE OF COMMIT-TING AN OUTRAGEOUS WRONG-DOING...
Please excuse us for our rude behavior
We were... fools who only knew how to fight!

Don't you get it!?
We're now aiming to make coexistence without force a reality
You'll get put to death for treason!
I'll...stop the campaign and return to our planet
That's going against orders
What should I report...
Let's build peaceful nation that allows all others to prosper!
Bring down hegemony!
I'll... spread the message, even if it costs me my life
We'll come to thank you again once we've realized our ideal society on our home planet
grasp
Thank you very much
Thank you very much, resident of Earth
You're welcome



Alright! We're going home!!
We look forward to your next visit
